Dedication

MR. JACK HYNDING

To you, Jack Hynding, we wish to dedicate our annual.

Jack, for many years you were always available for those endless tasks, both large and small, which teachers or students could not handle.

You never grumbled, you usually grinned. You always took time to say, "Hello".

Jack, from the bottom of our hearts, we say,
"Good-bye, thank you, and good luck."

School Achievement

Gonzales High School was very fortunate this year in being able to undertake the CASSA Accreditation Study.

The purpose of the Study is to determine how effectively the school is meeting the educational needs of the community.

The procedure involves the completion of self evaluating questionnaires by four groups acting

independently: the administration, the faculty, the students and the classified staff. Then a panel of outside professional experts visits the school, analyzes the questionnaires, makes extensive observations of their own, and writes a final report.

The final report as completed by the Visiting Committee, was exceedingly complimentary of the school's efforts and results. In answer to the school's question "How are we doing?" they, in effect, answered "Fine!"

Classes

Senior Class History

As we recall the happenings of our four years at G.U.H.S., we become nostalgic and are spiritually moved by the memories of our days as high school students.

We are reminded of the two one act comedies, **Nobody Sleeps**, and **The Show's Tonight**, that we presented as Juniors, and the comical 3 act Senior play, **Junior Miss**, which was acclaimed the most successful presentation in recent years.

Not too soon forgotten is the Senior Ball, where we took a **Hawaiian Holiday** and danced beneath a romantic setting of swaying palms. In the preceding year, we held the Prom, **Winter Wonderland**, set in a majestic atmosphere of sparkling fountains, ice, and snow.

The members of the class of 1960 on the Student Council were instrumental in reviving the Student Union facilities on campus.

Our class held Twirp Week in May of our Senior year. There were four days of turn-about dating, climaxed by the Sadie Hawkins dance on Friday night, where the girls escorted the boys.

Then there was the day when we snuck away from school and invaded the shores of Santa Cruz. Rides, swimming, and a barbecue highlighted our ditch day on the beach.

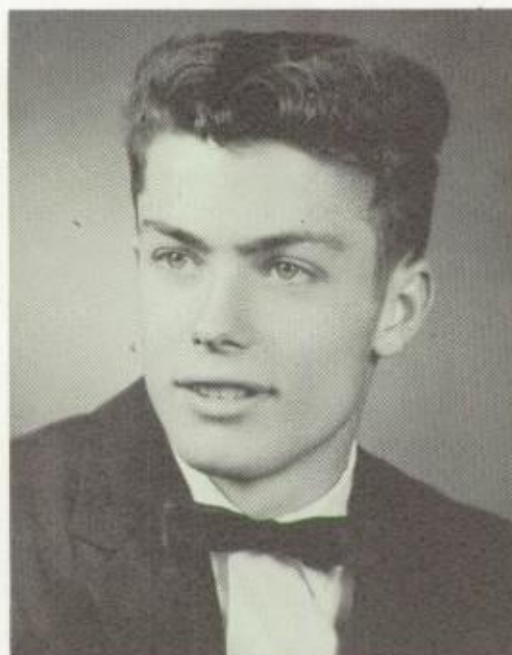

At San Francisco we met Chinatown, its quaint shops, its cable cars, and its people. We visited the museum, Planetarium, Golden Gate Park, and the zoo. We spent the evening at the theater, and after having thoroughly enjoyed ourselves, we returned home very late, very satisfied, and very tired.

As we now venture out into the world around us, we know that our years spent here at Gonzales High have left us with an understanding of our future lives. In realizing this, we turn to give thanks to our teachers and advisors, fellow classmen, and friends who have, these past years, made available to us an education.

May we now depart with a flourish of caps and gowns to the musical strains of **Pomp and Circumstance** from our beloved campus at Gonzales High.

To some, graduation may seem like the end of a long and dusty climb.

All our friends will gravitate toward their chosen goals. We may find them in varied fields . . . behind the scenes and in the spotlight. Wherever they are they will surely be well-versed in the fundamentals of their chosen professions, continually striving to better themselves in the world.

We will never forget the sound of our laughter at the assemblies and rallies . . . the thrills we've had watching our athletic teams in action. These and other fond remembrances will be ours to nurture and cherish forever.

Rich memories in the future can come only from noble accomplishments in the present.

Freshmen

This year's Freshmen Class started out with 146 students under the leadership of Jim Gilchrist, President.

Although the Frosh-Sophomore tie-up was won by the Sophomore class, the Freshmen put up a good fight.

At the FFA Barn Dance the Freshmen class was represented by Sharon Malnar. This year's FFA Sweetheart was Nicki Bianchi, also a member of the Freshmen class.

This class has a good start for their future years at G.U.H.S. in that they have already sponsored a noon dance and have sold programs at games.

Athletic competition in our high schools has come to be an American tradition and institution. A well-rounded program of varsity, junior varsity and intramural sports is offered to provide an opportunity for every student to participate in the activity of his choice.

The success of these activities should be judged on the number of participants, good citizenship and sportsmanship developed, carry-over activities accrued for later life, the development of the "will to win" through self sacrifice for the group, and the development of school morale.

In its third year of interscholastic wrestling, Gonzales demonstrated unprecedented progress. Even more progress is expected in coming years since the majority of the wrestlers are underclassmen.

Gonzales felled three much larger schools this season — Salinas, Watsonville, and North Salinas.

Joe Velasquez was named the most valuable wrestler.

Tennis

Tennis is mainly a sport requiring skill and coordination, and, in long tournaments or matches, stamina. Therefore, tennis is offered during the entire school year at Gonzales. Experience is a major factor in the progress of any athletic endeavor, and the game of tennis is no exception. Considering that Gonzales has had a tennis team for a relatively short time, the team fared rather well in competition with other schools. Each year, as we gain more and more experience, we produce a more impressive array of tennis players, and innoculate the finer points of the game into the beginning freshmen and sophomores, who will later become the backbone of the team.

No more progress was seen in any other single player than that displayed by Manuel Rosalez. Manuel, who had been playing tennis for only a few months, vied with all the best players from our competing schools during the fall tennis season.

The Spartans had Erasmo Segundo selected to the All-CCAL "B" league first team and Erasmo also had the honor of being third in the top ten of high scorers in the league.

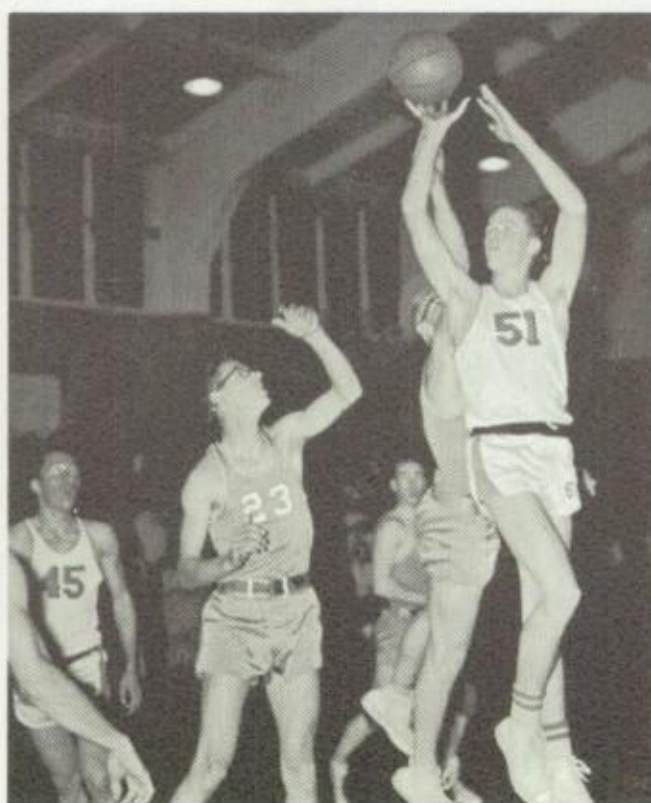

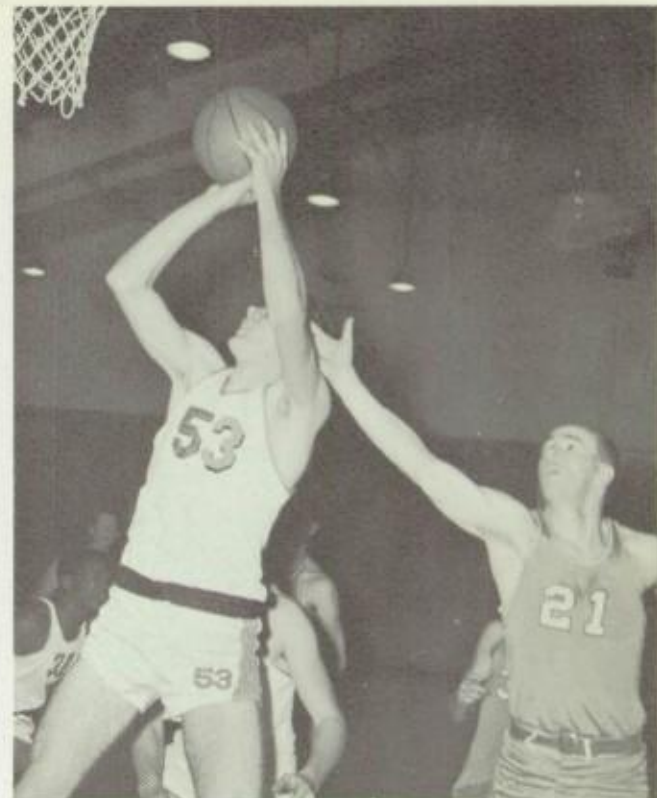

Seniors who played their last games for Gonzales were Jim Johnson, Steve Burns, and Larry Blomquist; chosen Honorary Captain was Joe Sargenti.

Baseball

The Gonzales Spartans, defending champions, were picked to repeat as pennant winners, but with no experienced pitchers on the team, these hopes seem destined to wait until next year.

Mike Correa, sophomore, is the leading pitcher on the squad and has pitched a one hitter and a two hitter. Manuel Rosalez and Ken Sanks complete the pitching staff with Coy Bearden developing into a reliever.

Sophomores Gilbert DeSantiago and Ross Gildersleeve, along with juniors Phillip Chavez, Terry Handley, Coy Bearden, Erasmo Segundo and Jim Ellis, make up a solid infield coming back next year. Leslie Breschini, Noel Walker, and Nolen Harris, with another year of experience, should give Gonzales a hard hitting outfield.

Jim Johnson, Paul Chavez, Tommy Davalos and Ernest Delgado are the only seniors on the team.

The Junior Varsity team has made a good showing this year, winning many of their games. Richard Correa has been their leading pitcher.

Track

This year's Varsity squad was stronger than in previous years but the Lightweights were weaker because of less experience. The large meets proved too much for the squad but they scored victories in the smaller ones.

These outstanding members of the Varsity helped to make the season successful: Steve Burns excelled in the High Jump and 880 yard run. Leading the High Jump and Pole Vault competition was Jerry Harvick. Butch Rianda, a sprinter, led the Low Hurdles and Broad Jump. Larry Blomquist excelled in 440 and Broad Jump. The Discus, Shot Put, and 220 competition was led by Joe Sargenti.

David Guzman, high jumper, broad jumper, and sprinter, was the top Lightweight. He holds the school record in the High Jump at 5' 11 3/4". Other strong members were John Sanders, sprinter and hurdler; Santos Estigoy, sprinter; Ron Decoto, hurdler. Ezekiel Pajas was the most promising freshman. Captain of the year was Emile Rianda.

Seniors leaving the squad this year are: Steve Burns, Larry Blomquist, Joe Sargenti, Bob Bosio, Richard Prader, and Jerry Harvick.

Girls' Intramurals

This past year, under the able leadership of Miss Judy West, the girls of G.U.H.S. have thoroughly enjoyed an eventful year.

Team sports enjoyed were speed-a-way, basketball, volleyball, and softball; and individual sports, archery and tennis.

Newly added was a dancing program which included all kinds of social and folk dancing and south of the border dances. Both Boys' and Girls' P.E. classes participated in dancing, held on Fridays.

One of the memorable events was the Playday, which was held at San Lorenzo Valley High, attended by approximately 22 girls.

The girls should be commended for their cooperation, enthusiasm, and sportsmanship which made this year an enjoyable one for all.

Under the capable and efficient leadership of Student Body President Bob Amaral, the 1959-60 Student Council has turned in the "best-yet" job of school government. The council members have exercised fortitude and judgment in making vital decisions, and the faculty advisors have been ever available for counsel and assistance.

The first Student Court was organized, and proved very successful in solving disciplinary problems. The court is composed of a chief justice elected by the Student Body, a representative from each class, and a faculty advisor.

Student Council members redecorated the old gym and installed a juke box, a coke machine, and other facilities so that G.U.H.S. students might have a Student Lounge.

An exchange student program has been proposed for Gonzales High, and the Student Council sponsored a Variety Show to begin raising funds for the project.

The Student Council participated in meetings of the C.C.A.S.C., of which Bob Amaral was Vice-President, and gained new understanding of our neighboring schools through exchange meetings with King City. It sponsored a number of dances, assemblies and talent shows throughout the year.

Peggy McLaren has been business manager for the **Spartan Hi-Life**, and has also assisted in reporting boys' sports and FFA activities. As circulation manager, Carol Weigel has been in charge of communication with other schools and has also been a very dependable writer. Lupe Holquin has worked diligently to report the boys' sports for the **Spartan Hi-Life** and for several of the local town newspapers.

Donna Raines, Nancy Franscioni, and Cookie Brazeal have managed to tread the tightrope without losing their balance while performing the difficult task of writing the features.

Alice Perez and Bob Amaral, in addition to their outstanding work on the **Lo-Life**, have been always available for coverage of school events.

Although he has had no previous experience as an advisor of a journalism class, Mr. Wilkinson has been a great help and inspiration to the staff of the **Spartan Hi-Life**.

The Gonzales Future Farmers Chapter is one of the most important and outstanding organizations in G.U.H.S.

This year Gonzales has three State Farmers from the senior class: Bob Saunders, Primo Baggiolini, and Phil Bassetti.

Gonzales has three officers in the South Coast Region. They are: Primo Baggiolini, regional president; Jim Muscio, regional secretary, and Phil Bassetti, regional reporter.

In addition to the displays and entries in the Salinas Valley Fair, the Monterey County Fair, and the local FFA Fair, the boys entered the Farm Mechanics and land judging contest.

The chapter's contributions to social activities were its Summer Barbecue, the Father and Son Banquet, the Barn Dance with its accompanying Queen Contest, and it also sponsored a basketball team for inter-FFA games.

The splendid progress and accomplishment of the Gonzales FFA has been due to the cooperation and good fellowship of its members, the fine leadership of its officers, together with the patience, untiring energy and wise counsel of its advisors.
